MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Intelligence Sources and Methods Legislation

1. Attached is a memorandum from the Action Plan Task Group on our "Issues and Answers" topic No. 13: "How can the Agency win Congressional Acceptance of the Director's Intelligence Sources and Methods Legislation?" OLC and OGC worked together in development of the paper.

2. The memorandum was included in the backup notebook for your appearance 12 December before the House Select Committee on "The Future of Intelligence," but since we had received no feedback such as you provided on the other Task Group papers, I am taking the liberty of resubmitting the document.

3. This is the last of the "Issues and Answers" papers which the Action Plan Task Group was charged to prepare.
